

It's Easter morning and Mr Bunny gets up at half past seven.

MR BUNNY'S ACTIONS

He washes his face at twenty-five to eight.

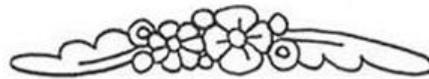

He has breakfast at twenty to eight.

Look at the pictures, read the sentences and draw the hands on the clocks to show when Mr Bunny does his actions on Easter morning.

He brushes his teeth at five to eight.

Colour:

Mr Bunny brown and white and his nose black; the eggs orange, blue, pink, purple, red, grey, yellow and green; the basket brown and the rest of pictures as you want.

He combs his hair at five past eight.

He puts on his clothes at quarter past eight.

He prepares the Easter eggs at twenty past eight.

He hides the eggs in the garden at twenty to nine.

He goes home happily at ten to nine.
