Happy  
Mother's  
Day

In many countries Mother's Day is celebrated on the second Sunday in May. It is on this day that people, especially children, express their love and genuine appreciation to their mothers.

This is a nice card that my pupils realize to give on Mother's Day.

Instructions:

1. Make copies for each learner;
2. ask pupils to color it;
3. ask pupils to write a beautiful message for their mum;
4. cut out the card and fold it.

These are some simple messages that pupils can write, which are suitable for the occasion.

*Mummy my darling.  
Mummy my dear.  
I love you!  
Every day of the year.

*Dear Mum,  
you are my treasure,  
you are my joy  
and my happiness.  
Thank you for everything!  
With love, \_\_\_\_\_*

*Dear Mum,  
roses are red,  
violets are blue,  
those flowers are pretty  
and so are you!  
With love, \_\_\_\_\_*
