

# WE LOVE OUR PETS

*Read the text and answer the questions.*

Hi! My name is David. I live in England.

I've got a lot of pets.

I've got two dogs, three parrots and a cat.

My favourite pet is my cat.

It is big and it is like a tiger.

He's called Henry. He is eight.

My sister Janet likes our dogs more.

She takes the dogs for a walk.

They are small and funny.

They are two years old. They like my sister, too.

Our pets are very friendly. We often play together.
