

PAUL'S PET

Hi, my name is Paul, I'm 10 years old and my birthday is 26th April. I'm English, my favourite colour is green and my favourite food is pizza. I love animals very much.

In my house there are some pets: Tix is mum's dog, he's small black and white, Sue is the cat of my sister Anna she's grey and then there is Beauty my parrot. He has got a small head, a fat body and a long tail. Beauty can fly and he can talk, too! He's lovely! Do you want to know what colour is he? Solve the sums and then find out using the colour code.

COLOUR CODE
ten = yellow
twenty = green
